

# Technician in Charge, Yellowknife

Looking for a new career? Join First Transit  
as a Fleet Maintenance Lead Mechanic!

You will perform vehicle maintenance & diagnosis, supervise maintenance operations and remove, clean, repair and adjust vehicle components. You will also communicate with customers, team members, and supervisors and actively participate in safety or educational training as required.

We offer competitive wages, career advancement opportunities and a comprehensive benefits package (including company training, paid holidays & vacation, medical & dental, and 401(k) savings plan).

You possess a valid driver's licence and 3 years of hands-on mechanical supervisory experience. Previous experience with buses preferred.
