

Northern Life Museum

REQUEST FOR PROPOSAL

The Northern Life Museum is a registered society with the Government of the Northwest Territories, a registered charity with the Government of Canada and the oldest museum in the Northwest Territories. We are stewards of the unique cultural heritage of the North for the enlightenment and appreciation of all; the Northern Life Museum currently has a collection of approximately 13,000 artifacts and holds what is considered to be among the best collections of northern Native and early White settlement material in Canada.

The Northern Life Museum is requesting proposals from qualified proponents to assist us with the development of funding proposals that will help us achieve our short and long term capital and operational goals.

If you are interested in providing these services, please submit a complete, sealed proposal by 5:00 p.m. on Friday, June 15, attention:
