

George 'Tony' Antoine

September 18, 1939 - Rabbitskin River, NWT • August 17, 2011 - Fort Simpson, NWT

On behalf of the Antoine/ Nakehk'o Family, we wish to acknowledge with deep appreciation the many expressions of love, kindness and support shown to us during our loss. It's during a time like this that we learn how much our family and friends really mean to us.

Our family deeply appreciates all those who were Pallbearers, who took the time to build the coffin, sent flowers or sympathy cards, generously donated personal services to prepare food, called with the kindest of words, travelled from other communities and especially the Long Term Staff of the Dehcho Health and Social Services.

Your thoughts and efforts were greatly appreciated.

Tony will be cherished in the hearts of his grandchildren, children, brothers, sisters and his in-laws, along with his numerous nieces and nephews.
