

Michael Crutchlow

After a brief battle with lung cancer, our dear friend, Michael the Baker, passed away peacefully Sunday evening in Ottawa with his daughter, Sheena, by his side.

Michael worked and played in Yellowknife for 20 years, retiring to Ontario last September. Michael's love for his family, friends and the outdoors kept his spirits high until the end.

Your sentiments may be emailed to **michaelthebaker@yahoo.ca**. Donations can be made in Michael's name to the Ottawa General Hospital for their amazing support and care during his final days.
