

Julie Dahl

(nee Maly)

It is with heavy hearts that we announce the end of a life well lived. Julie died peacefully in her sleep on September 12, 2017 at the Brummitt-Feasby ALS House in Winnipeg at the age of 51. Julie was

predeceased by her mother, Anneliese Schröder. Julie is survived by: husband, Mark Dahl and daughters, Erin and Tory; extended family and a great many friends and colleagues. She will be sadly missed but lovingly remembered by all.

Yellowknife was our home for 11 years and though we have moved away, our hearts still reside in the North with the many good friends that we left behind.

Julie's life was too short and losing her is painful but we are thankful for the time we had together sharing Julie's love of travel, adventure and her joy in the wonders of nature.

We give our sincerest gratitude to the amazing staff of Brummitt-Feasby House for the thoughtful, gentle and complete care given to Julie and, for the friendship, support and understanding given to family and friends. These lovely people made Julie's life the best that it could be during an extremely difficult time.

In lieu of flowers and cards please consider a donation to the Brummitt-Feasby House, c/o ALS Society of Manitoba, at 2A - 1717 Dublin Avenue, Winnipeg, MB, R3H 0H2 or specify Brummitt-Feasby House on alsmb.ca.
