

IN LOVING MEMORY

# Robert Charlie Francis

September 19, 1941 - February 19, 2012

We would like to express heartfelt appreciation  
For the kindness, love and support during  
our great loss.

We find healing in God's tender loving care  
And in knowing others remembered and care...

Hold and love those near and dear  
And, keep each other in prayer.

A special 'thank you' for the messages you sent;  
the flowers and cards we received,  
the beautiful cross,

the food you cooked and all donations;  
the men who dug in the cold;

the Doctors and Nurses at the Inuvik Hospital  
& Ft. McPherson Health Centre  
and to those who traveled to be with us.

The phone calls, so many;  
the messages we heard;  
and, the Prayers we felt.

Anglican Church

God Bless each of you as you do God's Work...

And, if you couldn't make it and  
you thought of us, thank you.

In any way you helped us, thank you!  
God Bless You All.

I enjoyed my life; I love where I lived,  
My family I love is all that I give  
I think of my sisters, my nieces I love;  
Everyone that I touched, I left you my love  
Think of me when you see the snow,  
Remember me when berries grow!  
Only know how much I loved you all,  
There's a memory of me right on your wall.  
Where snowshoes hang, there's a memory of me;  
My cabin, my home, my family, my love!  
For most of you, Uncle I am,

The only brother they had;  
My wife loves me so,  
And, Daddy I am. . .  
But, Jitjii is what I loved most. . .  
I give thanks to God  
For family I have;  
My gift, you see in the snow - the tracks of my work!  
Snowshoe tracks are paved in your hearts;  
Where I know I must be. . .  
Da'tho was my home, Francis my name,  
Snowshoes I made but, Family I Love
