*We know you can no longer stay with us.*

*You fought long and hard to be with us.*

*We know you now watch over us and protect us.*

*Although we cannot hear your voice or see your smiling face,*

*We know deep down in our hearts that you have not left us.*

*Instead every day you surround us with the singing of the birds,*

*The rising of the sun and the falling of the night.*

*So many broken hearts are left behind, but in our deepest  
dispair, our greatest comfort lies knowing that you are now  
at peace with the angels.*

*So as the time passes our tears will dry, our hearts will mend,  
but our love for you will never end.*

*He lived and he enjoyed life.*

Dawson & Xander*
