## MEMORY

*i remember the last time  
i ever saw you living life.  
you were happy and living life  
as if there was no tomorrow.  
i just don't understand why it was you  
that passed away  
instead of that guy.  
you were at the wrong place  
at the wrong time.  
i want you come back home and  
stop this pain tonight.  
i miss you.  
i miss hearing those three words  
you'd tell me every morning and night.  
your hugs and kisses  
i can't forget.  
you'll always be in my heart  
till my death.  
i love you and don't forget that.  
rest in peace.*
