

# Charlene "Charlie" Reid

Nov 18, 1951 – Oct 12, 2012

*There are just some people that come into our lives  
that leave paw prints on our hearts...  
AND story-worthy memories that last a lifetime...*

*Charlie, you were one of those people  
and one of a kind. An earthly treasure  
and quite a find!!*

*You will NEVER be forgotten.*

Gary wishes to express heartfelt thanks for the many telephone calls, cards, emails and flowers. A true demonstration of how Charlie became part of so many of us.

Cremation has taken place.

As so many are asking:
