

In loving memory of

Don Strand

**In the morning of August 9, 2014
we lost a husband, father, uncle,
grandfather and a friend.**

Don was a great man who loved the people and land of the North. He was always there when someone needed a helping hand

He'll be forever missed by his family and friends.

Gone but not forgotten.

The family would like to give thanks to

***Community of Whatì
Tlichò Logistics
De Beers Group of Companies
Family and friends***

For their support and condolences during this difficult time.
