

In Loving Memory of
Ronald Lawrence Thom

September 5, 1960 to October 19, 2005

Ron was born in Dawson Creek and grew up following his father, Larry Thom, throughout northern BC, Alberta and the Territories. He and his sisters were close as children and Ron was especially attached to his dad. Ron always put 100 per cent into everything he did at work and at home.

He was a man with no enemies, a loving family and was well respected at NorthwesTel. Ron will be sorely missed.
