

Lucille White

Lucille White, age 69 passed away suddenly at her home in Inuvik on Saturday, June 23, 2012. A family service was held in Killarney, Manitoba on July 7, 2012.

She was born January 11, 1943 in Killarney, MB to Thomas and Edith Day. She had two children Herald (Sheila) and Anne Margret (Wally) and 4 grandchildren, Alexander, Jennifer, Christopher & Ryan. She was predeceased by her parents, 3 brothers; Gordon, Larry & Gerald, and her Sister Doreen.

Lucille grew up on the farm and loved to ride her horse Old Dock, she told many stories of Doreen and her riding bareback through the fields and her Mother giving them heck for going too fast. She loved animals of all kind and her days on the farm. She was a farmer's daughter and would much rather be helping her Dad with the animals than be in the kitchen to help her Mom.

Lucille married Richard (Dick) White when she 19 and soon after Herald was born, they moved up north to Inuvik. Lucille didn't much care for the north when they first arrived, it was said she wanted a ticket back on the same flight they came in on. Lucille was a Legion Ladies Auxiliary member for 45 years all at the Inuvik Branch. She also worked at the Legion throughout those years, helped care for her grandchildren when they were younger and was a well-known Regal Representative.

She was a cancer survivor and cancer was what ultimately took her from us. In lieu of flowers or just to remember her and others that cancer has taken from us please help support cancer research.

Condolences can be emailed to amw@northwestel.net
