

*"We will meet again
beyond this earth,
beyond this
starry sky...
among the angels,
who don't have
a word that means
goodbye"*

Noreen Marie Foster

February 24, 1952 - June 24, 2005

A celebration of Nonie's life was held at the Roman Catholic Church on Monday, June 27, 2005.

Noreen's family would like to thank all of you who came to support Nonie during her final days; those who supported her family after her passing; and to all who brought gifts of food, flowers, music and prayers.

Nonie told her family her time was near... we told her we love her and that we were glad... "She did it her way".
