

In Memory of  
**Clifford Sangris**

January 22, 1977 - December 31, 2005

*Live fast, die young.*

*Always remembered, never to be forgotten.*

*In my heart you'll always be,  
the great memories and time we shared.*

*You left a great print in my life and when I think  
of you I'll smile with great joy and  
know you were always there and always will be.*

*Always loved, always remembered ~ Blaze Chivers*
