

AIR TINDI

Air Tindi Ltd. prides itself on safety, customer satisfaction and professionalism. With a team of about 200 dedicated employees it remains in the forefront of fixed wing charter and scheduled service operations in Northern Canada. We are currently seeking applications for:

QUALITY ASSURANCE (QA) MANAGER

Located in Yellowknife, NT and reporting to the Director of Maintenance, the QA Manager is responsible for ensuring compliance with all regulatory standards and requirements within the Maintenance department.

Requirements:

- valid Canadian AME licence with an M rating
- minimum of 5+ years of experience on fixed wing
- high level of accuracy and attention to detail
- valid Canadian driver's licence
- auditor training will be considered an asset
- preference will be given to individuals with experience in Quality Assurance Management
- proven ability to work well under pressure and tight deadlines

STORES CLERK

Located in Yellowknife, NT on a four (4) days on/four (4) days off rotational basis, the Stores Clerk will support the Stores department and is responsible to assist with goods management.

Requirements:

- excellent organizational and time-management skills
- previous knowledge in a computer-based inventory program
- preference will be given to candidates with 2+ years of shipping and receiving experience

Air Tindi Ltd. offers competitive wages and a full benefits package as well as a Northern Living Allowance and various company discounts. Priority will be given to applicants residing in the North. For more information on our company please check out our website at www.airtindi.com

Applications can be emailed directly to:
