

# EMPLOYMENT FOR YOUTH INTERNS!

Smart Communities Society is looking immediately for youths aged 15 to 30 years who have high school diploma and some post-secondary education to work full-time as paid interns.

## Technical Work Experience Program(TWEP)

TWEP interns will learn to refurbish, repair and troubleshoot computers among other skills.

The training is only available in Yellowknife.

The salary is 15\$/hour and 37.5hours/week. The internship starts May, 2018 and ends September 31, 2018.
