

WE'RE HIRING!

Cando Rail Services has been providing innovative rail support services for 40 years.

New to Hay River! Cando is looking for hard-working, motivated individuals with a passion for safety to join our team. If you are looking for full-time employment and enjoy working outdoors in an industrial environment, this may be the job for you!

We are willing to train the right people!

Our employees enjoy competitive wages, full benefits and an employee ownership program.

More than a job. Think career. Think ownership.
