

Réjean Felx

Felx, Réjean 1953-2021. Born in Quebec, resident of Yellowknife from 1977 to 2004, he passed away in Saskatoon on May 5, 2021, of a glioblastoma brain tumour. In May 1983, he met Cindy Peters on the same day she arrived from Norman Wells; on June 18, he moved in with her and the two have been together ever since. Réjean worked at various jobs in YK, his last one being at Artisan Press. He was a past VP and President of L'AFCY. They moved to Saskatoon in 2004. After retirement 2013, they travelled extensively. Réjean was helpful, funny and thoughtful, and will be greatly missed by Cindy, family and friends. He was predeceased by many family members and friends, including good friend Greg "Cominco" Loftus (2016). Réjean would approve of a donation in memory of him to the Canadian Cancer Society or other charity of your choice.
